

## PRINCIPAL'S MESSAGE

DECEMBER 2025

Dear Parents,

We have had a very busy and enjoyable month here in Scoil Mhuire, and we hope that all families thoroughly enjoyed our Christmas shows. It was wonderful to celebrate the festive season together and to see our pupils shine on stage.

### Parent Survey – Childcare Services (September 2027)

The Board of Management of Scoil Mhuire are seeking to understand the needs, preferences, and expectations of families regarding possible before school, after school, and holiday childcare services from September 2027. We ask one parent/guardian per family (including incoming families) to complete the 5-minute survey. All responses are confidential and will help inform future planning. Survey deadline: Wednesday 17th December 2025 at 12 noon. Thank you for your continued support.

### School Procedures During Severe Weather

In the event of severe or unpredictable weather conditions that include national weather alerts, the Principal, in consultation with the Chairperson of the Board of Management, will make decisions regarding school closures/delayed opening in line with the national weather and safety advisories. If a decision is made to close the school, parents will be notified via Aladdin as soon as possible. In some circumstances, an earlier collection time of 2:00pm may be advised as an alternative to full closure. Should this arise, an Aladdin notification will be issued to parents outlining collection arrangements. In times of urgent notification, The Parents Association may be contacted to also send the notice via class WhatsApp parent groups. We thank all parents for their continued co-operation and understanding during such events.

### School Grounds Update

We are pleased to inform parents that the inner footpath adjacent to the school has been resurfaced following feedback from our Parent Safety Survey conducted in October. We would like to thank all parents who took the time to share their views, which directly contributed to this improvement for the safety of our school community.
